

Green Technology and Piping Systems Industry Week

Coopersville, MI, April 20, 2011 – West Michigan Plumbers, Fitters and Service Trades Local Union No. 174 (Local 174) and West Michigan Mechanical Contractors Association (WMMCA) are sponsoring a weeklong exhibit of Mechanical Contracting Technology Mobile Training Trailers. This event is open to the public May 3-7, 2011 from 9 am to 5:00 pm at Local 174's Training Center, 1008 O'Malley Drive, Coopersville, MI 49404.

Seven mobile classrooms and a rigging trainer will be available to demonstrate the various technologies of the piping industry. These state-of-the-art classrooms provide workstations demonstrating industrial instruction, welding, medical gas, residential and commercial plumbing devices, green technologies, steam and hydronic technologies, HVACR equipment and more!

Visitors can observe and learn about these technologies that keep West Michigan's infrastructure safe, efficient and have a minimal impact on our environment! Individuals and groups are encouraged to participate in this weeklong event.

Local 174 and WMMCA are proud to sponsor the Green Technology and Piping Systems Industry Week promoting environmental stewardship of building technologies through education.

For details contact Nate Phillips at the UA-174 at 616-837-0222 or 1-877-550-0174 or Cindy Morse at the WMMCA at 616-560-2184.
