Mechanic Jackson, MI 49201	Thursday, September 15 at 5:30 p.m.	Join the fight with others in Jackson County to end the attacks on Michigan's Middle Class. Governor Snyder and Lansing politicians are exploiting the worst economic crisis since the Great Depression to give perks to rich CEOs on the backs of vulnerable seniors, students, young families and dedicated workers. "Save America's Postal Service" rallies are informational events that will take place in every congressional district in the United States. They are designed to encourage Congress to pass H.R. 1351, legislation that addresses the financial crisis facing the Postal Service. Events will engage the public through speeches, handouts and gatherings to make our voices heard. <u>These rallies are not protests.</u> It's anticipated that a wide variety of supporters will participate in "Save America's Postal Service" rallies, including small business owners who use the mail to advertise, businesses that consistently ship products using the Postal Service, and faith leaders and progressive allies who have concerns for the plight of working men and women. <i>The Post Office is sustainable and making adequate money. However, they were charged with the impossible task of pre-funding their retiree health care, a 75 year liability, in ten years.</i> HR 1351, a bill introduced in the House by Rep. Stephen Lynch (D-MA) would prevent the demise of the U.S. Post Office and protect those jobs. This bill already has 193 co-sponsors from both political parties..
